

## Features

- The H2O Degree hose assemblies include the PLM10100 flow sensor.
- Hose assemblies are available in multiple configurations based on new or existing plumbing.
- NSF 61 & NSF 14 approved plumbing fittings.
- Shark bite quick connectors are included where applicable for ease of installation.
- All assemblies are factory pressure tested for leak protection.
- Typical applications include:
  - Toilets
  - Showers
  - Kitchen Sinks
  - Bathroom Sinks
  - Washing Machines
- Two year warranty.

## Overview

H2O Degree offers a variety of hose assemblies for Point-Of-Use (POU) water submetering. This versatile line of products include the PLM10100 flow sensor. The hose assemblies simplify the installation of water submeters, reducing cost and time. In addition, all hose assemblies are factory pressure tested, reducing the potential for leaks.

The hose assemblies can be selected based on the specific plumbing of each project and are offered for use on toilets, showers, tubs, kitchen sinks, bathroom sinks and washing machines.

## Ordering Information

Model	Description
PL1002	Hose (braided) assembly-Toilet 7/8 inch inlet x 3/8 inch compression 12 inch length includes flow sensor
PL1003	Hose (braided) assembly-Kitchen Sink 24 inch length includes flow sensor
PL1003-D	Hose (braided) assembly-Sink with dishwasher includes TEE and flow sensor
PL1003-T	Hose (braided) assembly-Kitchen Sink with existing TEE includes flow sensor
PL1003-DSB	Hose (braided) assembly-Kitchen Sink with dishwasher includes TEE and flow sensor and three Shark Bites
PL1004	Shower Assembly White Escutcheon includes flow sensor
PL1004-C	Shower Assembly Chrome Escutcheon includes flow sensor
PL1006	Hose assembly-Washing Machine includes two hoses and one flow sensor
PL1007	Hose (braided) assembly-1/2" Shark Bite to 9" length inlet x 12" length outlet to 1/2" Shark Bite includes flow sensor
PL1007-SB-12	Hose assembly-Falcon-1/2" Shark Bite to 2" length inlet x 12" length outlet to 1/2" Shark Bite includes flow sensor
PL1007-SB-B-E	Hose (braided) assembly-1/2" Shark Bite elbow to 9" length inlet x 12" outlet to 1/2" Shark Bite elbow includes flow sensor-
PL1007-SB-F-E	Hose assembly-Falcon-1/2" Shark Bite elbow to 2" length inlet x 12" length outlet to 1/2" Shark Bite elbow inc flow sensor
PL1007-X	Hose (braided) assembly-1/2 inch FIP to 9 inch length inlet x 12 inch length outlet to 1/2 inch FIP includes flow sensor
PL1017	Hose assembly - Falcon1/2" Push to Connect 16" length x 1/2" Push to Connect 16" length includes flow sensor
PL1021	Hose (braided) assembly-Toilet extension 7/8 inch inlet x 3/8 inch compression 24 inch length includes flow sensor

\*\* Consult factory for additional length assemblies
